Whinstone View is something special. Only a few minutes drive from Great Ayton, but a world away. Escape to our country retreat with Scandinavian log cabins, a gourmet bistro and the enchanting Wray's Barn. Whinstone View is perfect all year round, from summer garden soirées to cosy candlelit receptions in winter. Stay in style on your first night as newlyweds in one of our six *rustic-luxe* Scandinavian log cabins, with everything you need for complete romance and relaxation.

Why not stay the night before the wedding and have a pamper party with the bridesmaids? Our on-site Spa at Whinstone View will be delighted to arrange something fabulous for you. Enjoy a sumptuous supper from the bistro and wake up refreshed, ready for the best day ever!

Thanks to our license to host civil ceremonies inside and outside at our quirky, fabulous setting, you can spend the entire day at Whinstone View. Your Civil Ceremony can be personalised to suit you, so make sure you talk to the Register Office about the options available. On the day, the Registrar will arrive 30 minutes prior to the ceremony to conduct short interviews with the Bride & Groom individually – it is advised that you are completely ready by this time.

WHEN CAN WE SET UP FOR OUR WEDDING?

All Saturday weddings can set up on the Friday between 3:00pm - 5:00pm only, or Saturday morning from 9:00am. The Barn will be locked at 5:00pm for security purposes. All other weddings will have access to dress the Barn from 9am on the day of your wedding. Place names and favours can be brought the day before if required. Any other decorations must arrive on the day. Flower and cake deliveries must be arranged to be delivered after 10:00am on the day of your wedding.

WILL THERE BE ANY OTHER WEDDINGS WHEN WE GET MARRIED AT WHINSTONE VIEW?

No. When you book your wedding at Whinstone View, yours will be the only wedding that day, you also have exclusive use of the Green. The Bistro & Spa will still be open to the public but this will cause no interference with your day.

Also let your ladies know, we are a country location and some areas of our grounds are not suitable for stiletto heels! Do let your guests know that there are a number of Whinstone named locations in Great Ayton, it would be wise to add the postcode to your invites. (TS9 6QG)

HOW DO CANAPÉS WORK?

Canapés can be ordered to keep your guests satisfied during your drinks reception before the main meal. If the situation arises, the final decision must be made by 9:00am on the day of the wedding. Once the decision has been made it cannot be changed.

Generally the rule is a couple of songs while guests are taking their seats, a song to walk down the Aisle, a song to sign the Register and a song as you leave the ceremony area. We have the facility of being able to marry inside in the barn or in the courtyard. Maximum numbers do vary for each area, please discuss this with your wedding co-ordinator.

If you are having a civil ceremony we will need to know how many seats will need to be reserved for the bridal party and immediate family. FINISH TIMES

Please let your guests know our closing time is midnight, so that they can arrange transport before this time. We have a local taxi company that we always use which collect guests from the car park and safely take them to wherever they are staying. Due to our location we would advise all guests to have organised taxis before their arrival as they may have a long wait outside at the end of the evening.

All guests will be required to leave the barn by midnight. We may have guests staying in the lodges which may not be part of your wedding party, therefore we ask if you could leave as quietly as possible.
